## What is this product?

### Type

Shares of a sub-fund of Fidelity Funds SICAV, an Undertaking for Collective Investment in Transferable Securities (UCITS).

**SFDR product category:** Article 8 (promotes environmental and/or social characteristics) – ESG Tilt.

### Term

This fund is open-ended. The Management Company is not entitled to terminate the fund unilaterally, however, the board of directors of Fidelity Funds SICAV may terminate the fund by way of liquidation or merger.

### Objectives

**Objective:** The fund aims to achieve capital growth over time.

**Investment Policy:** The fund invests at least 70% (and normally 75%) of its assets, in equities of small and medium sized companies that are listed, headquartered, or do most of their business in Europe. The fund may also invest in money market instruments on an ancillary basis.

**Investment Process:** In actively managing the fund, the Investment Manager considers growth and valuation metrics, company financials, return on capital, cash flows and other measures, as well as company management, industry economic conditions, and other factors.

The Investment Manager considers ESG characteristics when assessing investment risks and opportunities. In determining ESG characteristics, the Investment Manager takes into account ESG ratings provided by Fidelity or external agencies.

The fund aims to achieve an ESG score of its portfolio greater than that of its benchmark. Through the investment management process the Investment Manager aims to ensure that investee companies follow good governance practices.

For more information, see "Sustainable Investing and ESG Integration" and the Sustainability Annex.

**Derivatives and Techniques:** The fund may use derivatives for hedging, efficient portfolio management and investment purposes.

**Benchmark:** MSCI Europe Small Cap Index (Net). Used for: investment selection, risk monitoring and performance comparison.

**Base Currency:** EUR.

**Risk Management Method:** Commitment.

**Additional Information:** You may sell (redeem) or switch some or all of your shares to another fund on any Valuation Day. Income earned by the fund is reinvested in additional shares or paid to shareholders on request.

This key information document describes a sub-fund of Fidelity Funds. A separate pool of assets is invested and maintained for each sub-fund of Fidelity Funds.

The assets and liabilities of the fund are segregated from those of other sub-funds and there is no cross-liability among the sub-funds. For more information, please consult the prospectus and latest reports and accounts which can be obtained free of charge in English and other main languages from FIL Investment Management (Luxembourg) S.à.r.l.
